less severe than the minimum listed in the sanctioning guidelines nor more severe than the
maximum listed in the sanctioning guidelines for each offense.

from the least severe to the most severe:

(i) Reprimand;
(ii) Probation;
(iii) Suspension; and
(iv) Revocation.

neither exceeds the maximum nor is less than the minimum sanction permitted in the chart.

the rehabilitation of the offender. The inclusion of conditions does not change the ranking of the
sanction.

(6) If a licensee has violated more than one ground for discipline as set out in the sanctioning
guidelines:

(a) The sanction with the highest severity ranking should be used to determine which
ground will be used in developing a sanction; and

(b) The Board may impose concurrent sanctions based on other grounds violated.

(7) Notwithstanding the sanctioning guidelines set forth in Regulation .12 of this chapter, in
order to resolve a pending disciplinary action, the Board and the licensee may agree to a
surrender of license or a consent order with terms, sanction, and fine agreed to by the Board,
the administrative prosecutor, and the licensee.

(8) Depending on the facts and circumstances of each case, and to the extent that the facts and
circumstances apply, the Board may consider the aggravating and mitigating factors set out in
§E(4) and (5) of this regulation and may in its discretion determine, based on those factors, that
an exception should be made and that the sanction in a particular case should fall outside the
range of sanctions listed in the sanctioning guidelines.
(9) If the Board imposes a sanction that departs from the sanctioning guidelines as set forth in Regulation .12 of this chapter, the Board shall state its reasons for doing so in its final decision and order.

E. Aggravating and Mitigating Factors.

(1) Depending on the facts and circumstances of each case, and to the extent that the facts and circumstances apply, the Board may consider the aggravating and mitigating factors set out in §E(4) and (5) of this regulation and may in its discretion determine, based on those factors, that an exception should be made and that the sanction in a particular case should fall outside the range of sanctions listed in the sanctioning guidelines.

(2) Nothing in this regulation requires the Board or an Administrative Law Judge to make findings of fact with respect to any of these factors.

(3) The existence of one or more of these factors does not impose on the Board or an Administrative Law Judge any requirement to articulate its reasoning for not exercising its discretion to impose a sanction outside of the range of sanctions set out in the sanctioning guidelines.

(4) Mitigating factors may include, but are not limited to, the following:

(a) The absence of a prior disciplinary record;

(j) The offender did not cooperate with the investigation; or

(k) Previous attempts to rehabilitate the offender were unsuccessful.

(6) A departure from the sanctioning guidelines set forth in Regulation .12 of this chapter is not a ground for any hearing or appeal of a Board action.

F. Offenses Related to Continuing Medical Education Credits.

(1) First Offense of Failure to Document Credits.

(a) Except as provided in §F(2) or (3) of this regulation, if a licensee has submitted an application claiming the completion of continuing medical education credits and the licensee fails to document the completion of such continuing medical education credits when audited by the Board, the Board may impose a civil fine under Health Occupations Article, §14-5D-12, Annotated Code of Maryland, of up to $100 per missing continuing medical education credit in lieu of a sanction under Health Occupations Article, §14-5D-14, Annotated Code of Maryland.

(b) Section F(1)(a) of this regulation does not limit the Board's authority to require completion of the missing continuing medical education credits.

(2) Willful Falsification.

(a) If a licensee has willfully falsified an application with respect to continuing medical education credits, the licensee may be charged under one or more of the following, as appropriate:
